Dear Stephen:

Enclosed are the original and one copy of the 2022 Exempt Organization return, as follows...

2022 Form 990

We have prepared the returns from information you submitted to us. Please review the returns before filing to ensure that there are no omissions or misstatements of material facts. In all our tax engagements, we assume that you have provided us with all your income. If this is not the case let us know immediately as your return(s) may require revisions.

Each original return should be dated, signed, and filed in accordance with the filing instructions. To file electronically please sign and return the 8879 to our office as soon as possible in order for us to transmit your return(s) to the taxing authorities.

The copy of your return should be retained with your tax files. The taxing authorities have the right to request supporting documentation for your return(s). If you have supplied us with any original documents, those documents have been returned to you in the enclosed package. Generally speaking, you should maintain your tax records for 7 years. Certain records should be kept permanently. For instance, property transactions, corporate minutes, tax returns, wills, and any other relevant documents that are permanent in nature should be retained indefinitely. Our internal company policy is to retain client tax returns for 7 years.

Please do not hesitate to contact us if you have any questions regarding your returns or if we can be of further assistance in any way.

We would greatly appreciate it if you would keep us in mind for your friends and acquaintances who might be in need of our services.

Very truly yours,
